All of our dishes are cooked to order in a kitchen where nuts, gluten, and other allergens are present. Items **marked in red** are fried in the same oil as pork products, as well as fish, crustaceans, and cereals. Please be aware that our house batter contains garlic powder and white pepper.

On Gluten-Free Tuesdays, we prepare our cod and haddock with a special gluten-free batter, safe for those with coeliac disease. These items, along with our chips, are fried in separate fryers to avoid cross-contamination.

For frying, we use FRYMAX, a sustainable palm oil that is free from allergens, additives, hydrogenated oils, and GM ingredients.
